INTRODUCTION

During the difficult times of COVID, the need for immunity and healthy food was reinforced by nature. In modern times, we are slowly and steadily moving towards Western culture, which is changing our eating habits, forcing us to eat unhealthily, and causing a drastic impact on our day-to-day lifestyle. That's where SATTVIKAM comes in, a millet-based snacking range that is not only healthy but also tasty, coming in travel-free packaging, making it even more convenient to carry. SATTVIKAM is a certified brand with FSSAI and NABL Lab certification. We follow authorised measures, making sure that we are providing only quality checked products.

HEALTHY COOKIES

We introduce a range of handmade gluten-free cookies, prepared with the goodness of Millets, jaggery, roasted gram flour, berries, and butter.

OUR STORY

Our youth are being forced to eat deep-fried unhealthy snacks/ chips as they need something tasty to munch on, so why not eat healthy to satisfy their hunger cravings?

Sattvikam aims to bring back the traditional Indian superfoods. & it's high time people get the Real value, benefits & taste of our Indian Millets. (Jowar, Bajra & Ragi).

Sattvikam brings high-protein snacks without hurting animals, a Vegan & Healthier, Safer Alternative for a Source of protein.

We bring to you a range of cholesterol-free, trans-fat-free snacks that not only satisfy your cravings but also keep your diabetes under control.
